Rare land offering on the plateau just south of Devils Tower with 335± acres. Awesome setting with sweeping views of Devils Tower, highway frontage and a beautiful Black Hills landscape. On the east side the property joins Highway 24 where the terrain includes rolling meadows and fields with the Tower sitting prominently on the horizon. Two wooded canyon areas run through the property where pine, cedar and oak trees line the hills and rimrocks edge the canyon walls. Several nice building sites flanked with timber overlook the canyons and offer Tower views. This parcel has an old hunting cabin with electrical service. The property has about 8/10th of a mile of Highway frontage right at the location where many tourists pull over and take photos of Devils Tower, making it a great location for a commercial or recreational business. A unique land parcel in an unequalled setting.

The adjoining 673± acres is also available. [Click here to see the Tower View Ranch](#)
