Ranch Video Tour

Premier Black Hills setting just 1.5 air miles south of Devils Tower National Monument. The ranch offers an unobstructed view of the Tower and the Missouri Buttes. This 1,008± acre ranch is a once in a lifetime opportunity to own one of the best views of Devils Tower and have excellent highway access in a naturally picturesque landscape.

Remarkable scenery with high wide plateaus offering incredible vistas, rolling fields, deep rimrock lined canyons, and wooded hills with pine, cedar and bur oak trees. Three reservoirs on the ranch, two water wells, and a spring development. An old homestead site on the ranch has electricity and could be used for a hunting cabin. Many choice building sites are offered throughout the property and it has great development potential with frontage on Highway 24 for over two miles and five highway approaches. The possibilities are endless for private or corporate retreat, commercial venture, or to preserve as an investment for future generations.

This area of northeastern Wyoming and the Black Hills offers year round recreational amenities and the region is rich in

western history. The ranch offers an array of activities like hunting, horseback riding, camping, nature photography, four wheeling and mountain biking. Climbing enthusiasts will enjoy the challenge of scaling Devils Tower. Wildlife in the immediate area includes Whitetail deer, turkey, mountain lion, bobcat, fox, coyotes. The Black Hills National Forest may be accessed in the nearby Bear Lodge Mountains, which is home to trophy caliber elk.

This is one of the most unique land holdings available to purchase in Crook County and possibly one of the only ranches within close proximity to Devils Tower that will ever be for sale.
